WHO WE ARE

We were founded in 2005 and have strived ever since to give the most rewarding theatre experience to youth in the GTA area.

We believe in giving access to every interested young person, regardless of their physical, social, cultural, educational background or gender identity.

We encourage all of our participants to assert their independence, develop their imagination and take risks free from social judgement or preconceptions.

Through the medium of theatre, we aim for the growth of personal, cultural, artistic and social development of all participants.

OUR PAST

Since 2005 the Toronto Youth Theatre has strived to produce uncompromising theatre with young actors.

Today, with more than 25 shows/programs under our belts we have positioned ourselves as Toronto's premiere youth theatre.

OUR FUTURE

Our goal is to continue offering exceptional theatre performance. In the Fall we will be focusing on uncovering the truths about mental illnesses and using theatre to help other understand it better.

SUMMER MASTER CLASSES IN PERFORMANCES

At the Toronto Youth Theatre you will have the opportunity to work with a professional theatre creative team.

Our executive producer, Adeen Ashton, has been a professional actor for many years and is well known for her long-standing role in London West End's "Les Miserables". She will be working along-side all participants, giving them expert guidance.

You will experience an environment that will help build your confidence and skills in the performing arts. It is a place to express yourself and meet new friends and supporters.

This program is ideal for preparing you for Performing Arts High Schools and Colleges.

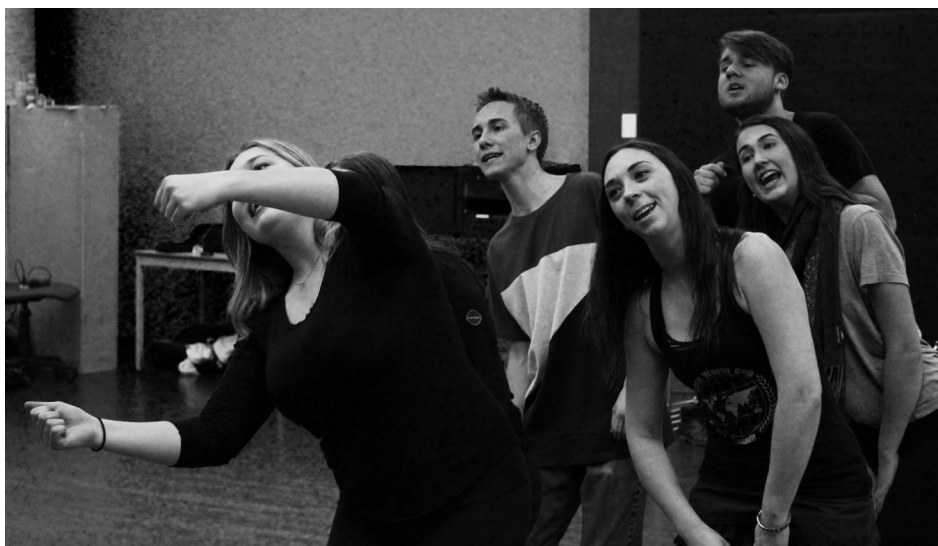

SUMMER MASTER CLASSES IN PERFORMANCES

The Summer Master Classes in Performances will be from August 7 to August 25. It will take place from every Monday to Friday at 10am to 3:30pm at the Lower Ossington Theatre located at 100 Ossington Ave.

You will find an application online under "Current Programs" that will need to be filled out before the first class. If you are unable to print the application there will be copies available during the first class.

Payment can be made by writing a cheque at the beginning of each week, or by paying through TicketWise. A link to the proper TicketWise site can also be found on our website under "Current programs".

TESTIMONIES

Khalil Roelke age 22

"I enjoyed being directed by professionals from different areas of performance. I gained vocal and acting clarity and strength. I gained confidence in taking chances and a willingness to go past my comfort zone".

Chloe Bailey age 14

My experience here was incredible! I enjoyed coming here every morning and doing my favourite things! I met lots of friends that I really hope to keep. I loved that there were no cliques and everyone always hung out together. The directors are a huge help for my acting and vocal skills and I loved all of the dance we did. Not only did I learn a ton, I also had fun.

Casey August age 15

I took away vital knowledge for someone in pursuit of an acting career and learned about the current acting scene. I don't think I would have gained this knowledge elsewhere.
